The statistics in this directory are for each of the schools listed. Since they are not all-inclusive, *numbers should not be used for statistical purposes*. Official statistics for the P-12 public education system are available from Statistics and Data Entry Section of the Department of Education and Culture, 902-424-6988 (Fax 902-424-0626). Internet: stats&de@gov.ns.ca

Many schools in Nova Scotia have been consolidated into a single administrative unit. These consolidated schools are shown in the directory with an (*), indented under the single administrative unit. The enrolment and teacher numbers for the consolidated schools are included in the administrative unit's numbers.
