## How This Book is Organized

---

Welcome to the 1999-2000 edition of the *Directory of Public Schools*, an annual publication of the Nova Scotia Department of Education.

School enrolments listed herein *should not be used for statistical purposes*. Official statistics for the Pr-12 public education system are available from Statistics and Data Entry Section of the Department of Education, 902-424-6988 (Fax 902-424-0626). Email: edstats@EDnet.ns.ca Web site: stats.EDnet.ns.ca

Enrolments and the number of teachers reported are given as of September 30, 1999. The number of teachers (FTE) include full and part-time educators expressed as full-time equivalency. Principals are counted only once in their home school. Instructors in the Adult High Schools are not included in the teacher FTE count. The number of pupils enrolled, and the number of teachers employed, vary during the school year. The detailed school information was accurate to the best of our knowledge at the time of printing.

Many schools in Nova Scotia have been consolidated into single administrative units consisting of two or more schools. These consolidated schools are reported in the directory with an '\*', indented under the single administrative unit. The enrolment and teacher counts for the consolidated schools are reported in the administrative unit's numbers.

For schools with both Acadian and English enrolment, the name, address and enrolment information appear separately. Schools of this type appear in the Conseil scolaire acadien provincial as well as the respective Regional Boards (Southwest and Strait).

**The figures in this Directory should not be used for statistical purposes.**
