
Integrated French Certificate

To obtain the Integrated French Certificate, high school Integrated French students must:

- successfully complete a French language arts course in grades 10, 11, and 12
- successfully complete, each year, one course taught in French from the offerings in the [Social Studies, Personal Development or Career Development sections of the Public School Programs](#)
- successfully complete during their high school career, a total of six courses where the language of instruction is French (excluding Core French)
- fulfill the requirements prescribed by the Department for the [completion of a High School program](#)
- The choice of courses that can be offered in the Integrated French Program will be as prescribed in the Public School Programs.
