

PERSONAL & SOCIAL RESPONSIBILITY

We know when children are in safe, secure, responsive, and engaging environments they have the confidence to explore their surroundings and seek out new experiences. Our role is to support children in developing strong personal identities, awareness of others, and respect for the world around us.

- ▶ What opportunities do children have in our program to explore different roles and understand other perspectives through play?
- ▶ How do we provide experiences for children to develop respect for the environment and the world around them?
- ▶ How do we get to know the children and families in our program?
- ▶ How do we learn about and include values of families into our program?
- ▶ How do we use daily routines and transitions to provide opportunities for children to develop a sense of personal responsibility?
