NOTES

Enrolments and number of teachers are given as of September 30, 1994. The number of teachers (FTE) include fractional parts representing part-time teachers. The number of pupils enrolled, and the number of teachers employed, vary throughout the school year.

The statistics in this directory are for each of the schools listed. Since they are not all inclusive they should not be used for statistical purposes. Official statistics for the P-12 public education system are available from Statistics and Data Entry Section of the Department of Education. (424-6988) FAX 424-0626
