# Notes

---

Enrolments and number of teachers are given as of September 30, 1996. The number of teachers (FTE) include fractional parts representing part-time teachers. The number of pupils enrolled, and the number of teachers employed, vary throughout the school year.

The statistics in this directory are for each of the schools listed. Since they are not all-inclusive, *numbers should not be used for statistical purposes*. Official statistics for the P-12 public education system are available from Statistics and Data Entry Section of the Department of Education and Culture, 902-424-6988 (Fax 902-424-0626). Internet: edstats@ednet.ns.ca

Many schools in Nova Scotia have been consolidated into a single administrative unit. These consolidated schools are shown in the directory with an "\*", indented under the single administrative unit. The enrolment and teacher numbers for the consolidated schools are included in the administrative unit's numbers.

For schools with both Acadian and Anglophone enrolment, the name, address and enrolment information appear separately, both in the Conseil scolaire acadien provincial as well as the respective Regional Boards (Cape Breton-Victoria, Southwest and Strait).

**The figures in this Directory should not be used for statistical purposes.**
