May - August 2021

Promoting well being + achievements
through partnerships with school-based
teams, students + families, and community
partners

FEATURE STORIES

SchoolsPlus and partners celebrated PRIDE month in June! Students painted flags on parking lots and other spaces, tie-dyed T-shirts, and had lots of fun while understanding the important history and significance of PRIDE along the way. 2SLGBTQI+ and allies create a safe and inclusive space for all learners, all year round. Ongoing events include summer camps, (virtual), and many others.

Diverse Directions GLACE BAY

Come celebrate Pride with CaperBase and Schools Plus in a safe & supportive environment! crafts, creative expression, & conversations!

CBVRCE

Student wellbeing + achievement is supported where all students feel safe + welcomed in school communities

FEATURE STORIES

SchoolsPlus staff provide support to many Gender Sexuality Alliance (GSA) clubs and work in partnership with youth to build capacity.

QAMP

All youth (age 12-19) throughout Pictou County were invited to attend Qamp, held at Northumberland School! The camp was designed to welcome 2SLGBT+, creating a safe space for fun, activities, make-up, talking, mentoring, and gathering! Qamp included opportunities to discuss how to support GSAs and community engagement.

ABOUT OUR STAFF

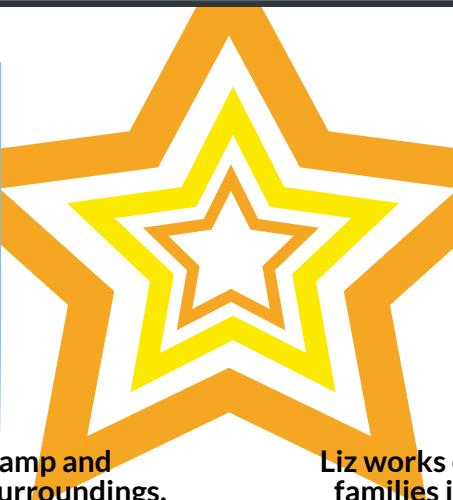

Congratulations! Education Week Award Recipients

Céline hails from beautiful Cheticamp and recognizes the natural beauty in her surroundings. She works tirelessly to support youth to do well academically but also encourages and engages youth around aspects of physical activity, mindfulness, healthy eating, and positive social interactions.

You can often find Céline on a hiking trail with students in tow, snow shoeing, or beekeeping. Yes, the school has a hive!

She is always open and willing to try new initiatives, especially when it improves the lives of our students and families in any way.

 Strait
Regional Centre for Education

Liz works endlessly to support students and families in four school communities in the SRCE. She coordinates wellness fairs and leads individual mentoring sessions with youth and families, which includes facilitating groups and programs based on identified needs.

Fulfils an integral role in collaborating with service providers and community partners; and is a strong and passionate advocate for students and families. The support she provides ensures students have meaningful and positive opportunities to further develop healthy lifestyles and positive mental health.

ANNAPOLEIS VALLEY REGIONAL CENTRE FOR EDUCATION

Roots of Empathy

Who: Roots of Empathy with babies Ruby and Lily, our youngest teachers!

What: Roots of Empathy Recovery Program

Where: The programs were held in a primary class at Berwick and District School; and a primary/one class at Somerset and District Elementary School

When: Programs began in November 2020 and were disrupted due to Covid-19. However, due to the creativity of SchoolsPlus Outreach Worker, Pat Gibson, the program was adapted, guided by ROE Recovery Program, and held as two -part program, with a total of 10 sessions. Sessions were in class, with families sending video updates/photos, and letters, while students sent back their questions. In the wrap up sessions, the families joined the class through a google meet which was thrilling for both the families and students.

Why: It was a challenging year, and the ROE Recovery Program brought such a bright light to these classrooms. Children had the opportunity to express how they were feeling about the pandemic and to connect with the babies and families. Students became very attached to the babies and demonstrated this with wonderful wishes for the babies at the final session.

This work helps build foundational, social, & emotional skills to promote wellbeing + achievement

CAPE BRETON-VICTORIA REGIONAL CENTRE FOR EDUCATION

Fear Factor

Who: Grade 8 students transitioning into high school

What: Fear Factor Transition programming

Where: Memorial High School (MHS)

When: August 18th, 2021

Why: Students who were transitioning to MHS were offered the opportunity to complete a tour uniquely. This one-day program was offered to students from Dr. TL Sullivan School and Sydney Mines Middle School who are entering Grade 9 at Memorial High School. This program aimed to deliver early exposure to their new environment, staff, and peers. SchoolsPlus staff provide a tour of the building and information on services/staff in an activity-based manner.

Cookies from: Frosted Farm Cookies

Elmsdale District Elementary School – August 16: 9-11am
Riverside Education Centre – August 17: 9-11am***
Enfield District School – August 18: 9-11am*
Maple Ridge Elementary – August 24: 9-11am***
Shubenacadie District Elementary – August 26*: 9-11am

Partners: East Hants Youth Links

Who: Students, Parents and SchoolsPlus staff in East Hants Corridor

What: In person outdoor summer camps were held at 5 schools across the East Hants Corridor throughout the summer break. SchoolsPlus staff arranged outdoor summer activities and games including gardening, camera scavenger hunts, giant yard games, "minute to win it" activities, and cookie decorating. We also partnered with East Hants Youth Links who brought art to the outdoors during 4 of our sessions this summer.

When: Summer 2021

Where: Nova Family Schools, East Hants

Why: To provide a fun and creative space for children, youth, and some parents too! They were able to connect and have some fun while developing new skills and trying a variety of outdoor activities.

CONSEIL SCOLAIRE ACADIEN PROVINCIAL

Trauma Workshop

What: Trauma 101 was an information and support session(S) to help parents and others (bus drivers), support the children and youth in their lives

Who: Parents; bus-drivers in CSAP, Southwest area

When: June 1, 2021

Where: Virtual program(s), one for parents; and one for bus-drivers

Why: To help parents and school-based staff, understand how to support children using trauma-informed lenses. Parents were interested in learning more, and bus drivers were also highly engaged in the program. The goal of the program is to develop an effective and common approach to a helping process for children and youth who have experienced trauma.

TRAUMA 101

Information and support for people supporting others living with trauma.

HALIFAX REGIONAL CENTRE FOR EDUCATION

Parenting Teenagers

chores, room cleaning
screen time
self-care/hygiene/grooming
family time/alone time
homework (completing it,
level of support, asking for
help)
physical activity
peer groups
bed times/curfews

Who: Parents living in the Eastern Shore, Musquodoboit Valley and Sheet Harbour communities

What: "Navigating Life with my Teen" Online Parent

Program: Topics including understanding typical teen development, parenting style self-assessment and reflection, active communication, behaviour change and parent self-care.

Where: Virtual programs

When: Offered over three sessions during May 2021, with an additional booster session in June to re-group and debrief after parents had a few weeks to apply new learning and reflect on successes and challenges.

Why: The Tri-Community Coalition wished to increase access to programs for parents living in the Eastern Shore, Musquodoboit Valley and Sheet Harbour communities; communities which are traditionally underserved, in response to the need to support parents of teenagers.

PARTNERS: "Navigating Life with my Teen" was developed by Eastern Shore Family Resources Association, Parenting Journey worker, Tracy Cowan, and SchoolsPlus Assistant Leader, Emma Pringle Boutilier. SchoolsPlus continues to partner with other local service providers to increase access to parenting support programs

STRAIT REGIONAL CENTRE FOR EDUCATION

Science Camp

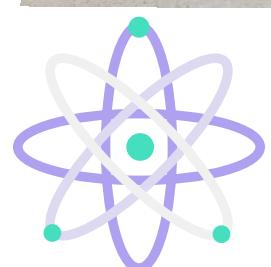

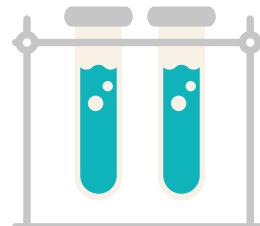

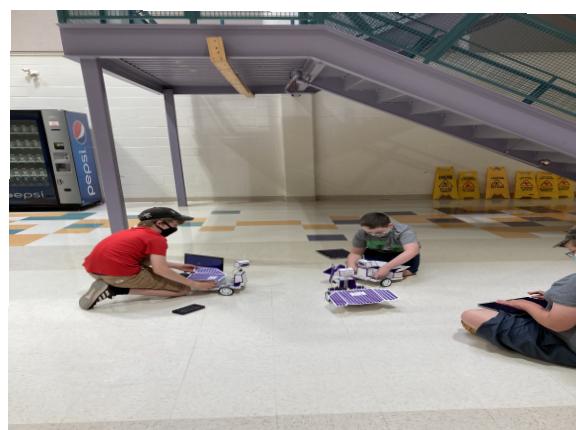

Who: Grade One to eight students throughout Guysborough County

What: X-sciting Science Camps: X-Chem is a multi-faceted outreach program that has 20 years of outreach experience. Chemistry and Science Camps hosted by the Chemistry Department of ST. F.X. University provide great skills, knowledge, and fun.

Where: St Mary's Education Centre/Academy; East Antigonish Education Centre/Academy; Chedabucto Education Centre/Academy; and Fanning Education Centre/Academy

When: July 8-9 through to July 28-29

Why: Science camps provide early opportunities to create interest and skills in sciences in a fun way. SchoolsPlus provides additional support for students who may experience barriers and help navigate students for bursaries opportunities

Partners: St.FX University and SchoolsPlus; this has been a longstanding partnership in Guysborough County; SchoolsPlus works to assist with engagement and registration, as well as support of students during the camps. SchoolsPlus staff enjoy the opportunity to spend this quality time with students. 16 Bursaries were awarded, almost 25% of all students.

SOUTH SHORE REGIONAL CENTRE FOR EDUCATION

Leadership Camp

Partners: SchoolsPlus and Second Story Women's Centre; SP staff helped with navigating students and transportation

South Shore Service Providers,

We are excited to announce details of our upcoming summer camps. We are offering leadership camps for female and male identified youth aged 9-12 years old. Each camp will have 5 participants and if restrictions allow, we will open it up to 5 participants closer to each camp. We are opening up registration to [youth who experience barriers or wouldn't have this experience otherwise](#).

Female Identified Leadership Camps - Each camp will be Monday to Thursday beginning the week of July 7th and ending the week of August 16th. During the leadership camp, youth will participate in a day hike and kayaking trip. They will also engage in skill-building activities including STEM, environmentally conscious, and creativity.

Male Identified Leadership Camps - There will be 4 camps offered Wednesday to Friday the weeks of July 7th, July 21st, August 4th, and August 18th. During the leadership camp, youth will participate in a day hike and kayaking trip. They will also engage in discussions around toxic masculinity and participate in skill-building opportunities like STEM.

Please Note: adaptations to each camp will be made as needed in response to public health protocols.

To Register: Contact Liz with the following information (Youth: name & age, Guardian name: contact number, and email) and we will respond with an email confirming registration. Summer student camp staff will contact participants in June to gather additional information and provide additional details related to camp. With the limited number of spaces available this summer, participants are only able to attend one week of camp.

If you have any questions, please do not hesitate to contact Liz McCurdy; Healthy Relationships for Youth and Volunteer Support Coordinator at Liz@SecondStory.ca

Who: SchoolsPlus SSRCE partnered with Second Story Women's Centre Summer

What: Summer leadership Camps for female identified and male identified youth aged 10-12. During the leadership camps, youth participated in hikes and kayaking. Female participants focussed on skill-building activities including STEM, environmentally conscious, and creativity. In addition, Male participants engaged in discussions around toxic masculinity, and skill building opportunities like STEM.

Where: Lunenburg County

When: July 7th-August 18th

Why: These camps provide an excellent opportunity to build leadership skills, have fun and develop friendships, holding separate male and female identified camps. Although both camps had many similar activities allowed for additional interests/issues aligning with gender.

TRI-COUNTY REGIONAL CENTRE FOR EDUCATION

Camping Kits

Who: 40 students in Shelburne County were supported by the SchoolsPlus team to receive the camping package.

What: A Camping Adventure using a camping package, making it possible to supply families with a tent, and some basic camping essentials. This included a camping chair, roasting stick, and flashlight. Each family also received a bag supplied with a week's worth of camping activities (star constellations, moon journal, meteor shower schedule, scavenger hunts, camping journal, camping coloring pages, instructions and materials needed to make a solar s'more oven, marshmallows, graham crackers, and chocolate). Students + families who wanted to participate in the virtual activity weekly had the opportunity to assemble and try out their solar s'more oven along with other fun activities.

Where: In their own back yards!

When: The packages were delivered during the week of July 26th, 2021.

Why: Provided support and incentives for families to get active outside this summer. A perfect backyard adventure, especially not knowing what kind of travel restrictions there would be this summer!

In collaboration with The Kids Fair Play Fund along with help from the Wilson's Home Hardware in Barrington and Scott Fun & Games

From Food Security to Internet Assistance for Home Learning, SchoolsPlus welcomes and values our many partners. Thank you for supporting our Students & Families

SSRCE: SchoolsPlus received a grant from United Way of Lunenburg County to assist families with the help of the internet during home learning. During the months of May and June 2021 we delivered 50 internet sticks and provided internet to 2 families. This supported many students with being able to access schoolwork, attend google meets and attend outside agency appointments virtually.

LITTLE GREEN SPROUTS GARDEN PROGRAM

Schools Plus Summer Program Pilot

SchoolsPlus embarked on an exciting summer pilot project, a joint venture with the Agriculture Depts of Nova Scotia and Canada.

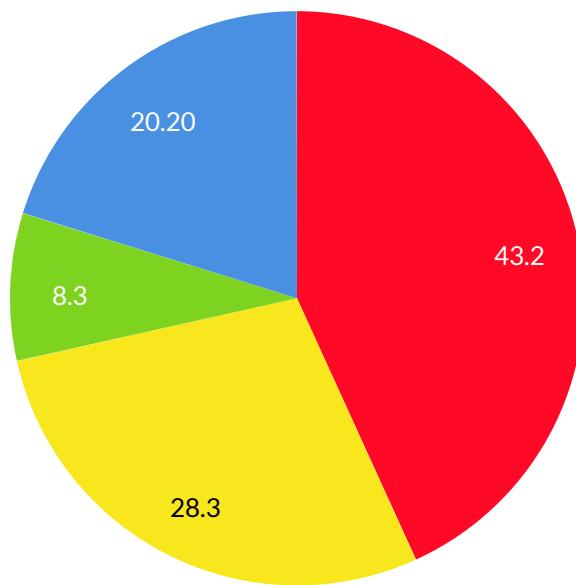

The program was designed to Inspire hands-on learning and inquiry into seeds, nutrition, soil science, plant needs, how food is grown and more! Growing trays, pots, seeds, and soil as well as learning resources were supplied by the program. Together students and their families learned how to grow microgreens, lettuce, herbs and more as part of Little Green Sprouts, our newest indoor gardening adventure for SchoolsPlus Summer

This collaboration promotes wellness through access to healthy food + engages the resilience of families + learners
