

SchoolsPlus Summer Programming 2019

LEVEL UP is a free camp for students making the switch from Elementary to Junior High School, or from Junior to Senior High School in September. Through games, art, cooking, sports and other interactive activities, students will have the chance to learn, grow and explore. In some cases, students will also be able to visit their new school in a way that is approachable, fun and helpful for the change in September.

These camps will be staffed by HRCE SchoolsPlus staff members. Our staff team has expertise in supporting youth with social, emotional, and/or behavioural challenges.

Our SchoolsPlus Mental Health Clinicians will continue to do individual treatment & therapy in the schools, as well as running groups with a focus on supporting parents/caregivers of children and youth with mental illness.

As always, families needing a helping hand at any point in the calendar year can contact their SchoolsPlus Assistant Leader at any time using the contact information on the reverse side of this brochure.
