Dear <Student's name here>:

Congratulations on successfully completing all the requirements for your NCCP English Instructor of Beginners Certification. Enclosed, please find your Certificate.

Please be reminded that it is your responsibility to ensure you remain current on the Coaching List by having a current NSEF membership, Equine Canada Competitive Sport License, EC Coaching Levy, a current Criminal Records Check (every five years) and a current First Aid Certification. You are also required to meet the Professional Development Standards. You must accumulate a minimum of 20 Professional Development Updating Hours per three year period. The professional development hours must be from a minimum of three updating categories. NS Coaches must attend a Provincial Update at least once every two years. Enclosed is the information on the Professional Development Qualifying Activities and Categories. If you have any questions regarding any of these requirements, please do not hesitate to contact the NSEF Office.

We do encourage you attain liability insurance, if you are actively teaching. You may be able to acquire this through a local insurance agent. Brooklyn Insurance Commercial holds the NSEF insurance policy. As a member of the NSEF, you may request a quote for coaching insurance at a preferred rate. As equine insurance specialists, they have stated that their rates are competitive with and other insurance company. If you are not satisfied with their quote, please get in touch with the NSEF.

I wish you every success in your teaching endeavours in the future.

Again, congratulations on your recent accomplishment.

Sincerely,

Heather Myrer
Executive Director
