

Section D: Standards for Level 1 Classification

1.0 Objectives

- 1.1** Training requirements ensure that staff employed by a licensed child care facility have a competent level of knowledge and skill to care for children and implement a developmentally appropriate program.
- 1.2** Level 1 Classification recognizes an individual's partial training and experience as preparation to work directly with children and to be counted among the 2/3 of staff working in a licensed facility who must have a Level 1, Level 2 or Level 3 classification.
- 1.3** Requirements for Level 1 Classification ensure that the content of course work and work experience prepare staff to assume responsibilities for the day-to-day operations in licensed child care facilities.

2.0 Scope

- 2.1** These standards apply to all persons seeking Level 1 Classification.

Standards for Level 1 Classification

3.0 Orientation

3.1 Applicants for Level 1 Classification are required to complete the Orientation for Staff Working in Licensed Child Care Facilities.
