Foreword

Welcome to the 2002–2003 Preliminary edition of the *Directory of Public Schools*. The official annual publication will be available when the student enrolments and the number of teachers (FTE) are finalized.

For official statistics for the Pr–12 public education system or additional copies please contact the Research and Statistics Division of the Nova Scotia Department of Education, 902-424-6988 (Fax 902-424-0626), Email: edstats@EDnet.ns.ca, or visit our web site <http://stats.ednet.ns.ca> and select School Directory. Here you can search for information on public schools by different criteria and create mailing labels. Additional copies of the *Directory of Public Schools* can be downloaded.

Many schools in Nova Scotia have been consolidated into single administrative units consisting of two or more schools. These consolidated schools are reported in the Directory with an '*', indented under the single administrative unit.
