- If you need to print the cumulative record report (i.e., when students are transferring to a school outside of the province, to a private school or outside your school board), there is a check list at the end of the report. You may check each item which needs to be included in the cumulative record package to be sent. Once all appropriate items are checked, click 'Submit' to retain your selections.

If a transfer is in province: TIENET documents are transferred with the student. There is no need to print them.

If a transfer is out of province, or to a private school: All TIENET documents in the cumulative record report must be printed. Check each item, then click 'Submit' to retain your selections.
