

INS Functionality for Junior High Schools - PowerTeacher Pro and the Student-Parent Portal

To align with the process outlined in the flowchart (page 3) of the “Classroom Assessment Due Date and Extension Procedures”, the PowerSchool Student/Parent Portal now displays the code **INS** (Insufficient evidence) as an «*In-Progress Mark*» whenever the teacher has flagged a student’s assignment SCORE as «*Missing*». This functionality applies to grades 1 to 12 and is only supported on the browser version of the PowerSchool Student/Parent Portal. It does not apply to the mobile application.
