TIENET

1. Student Contacts

Effective January 6, 2022, student contacts will be displayed in TIENET to align with contact information in PowerSchool, which supports interconnected relationships and modern family structures.

The specific updates to TIENET include the following in the Student Profile:

- the **General Demographics/Parent Guardian Information** section has been renamed **General Demographics Information**.
- The **Emergency Contacts** section of the Student Profile has been removed.
- Parent/Guardian and emergency contact information is now found under **Student Contacts**.

2. Student Meeting Minutes Updates

Student Meeting Minutes will now look similar when teams select either title in the dropdown options, except for **Purpose of Meeting** and **Agenda and Minutes**, which will not appear when selecting *Teaching Support Team*.
