### Openings - September 2026

- EAL 10/English 10

### Our School

Nanchang No. 2 High School is one of the most respected and academically successful public high schools in Jiangxi Province. Founded in 2007, its Nova Scotia International Program blends rigorous Canadian curriculum standards with the strengths of a high-performing Chinese academic environment. The program emphasizes critical thinking, strong English development, student well-being, and global university pathways, while maintaining small class sizes and a supportive, collaborative teaching culture. Teachers work closely with motivated students, experienced international colleagues, and engaged local leadership in a modern, well-resourced campus setting.

### Benefits

**Competitive Salary:** Starting salary as indicated in the Employment Contract. Low cost of living enables teachers to save and send a substantial amount of money home each year.

**Round-trip Airfare:** The school provides annual round-trip airfare to and from China.

**Furnished Accommodation:** Teachers are provided with furnished apartments within walking distance of campus. The apartments are also close to grocery stores, shopping malls, theaters, cafés, and restaurants.

**Chinese Holidays:** Each year, teachers enjoy over a month of paid holidays, and the school breaks for summer. This allows a significant time for teachers to explore China and other countries, or even return to their home country during the school year.

**Own Classroom:** Teachers enjoy their own classroom space to design and configure to suit student and subject-matter needs.
