

## **Soochow University High School - Sino Canada Program**

### **Job Opportunities**

We are seeking qualified candidates for the following positions, effective August 2026:

- High School Mathematics Teacher (Pre-Calculus)
- High School Science Teacher (Biology and Physics)

Application Deadline: April 1, 2026

### **About Us**

The Soochow University High School Sino-Canada Program is a partnership between the Nova Scotia Department of Education and Early Childhood Development (Canada) and Raeberry International Education Group, owner of Soochow University High School in China.

Located in Suzhou Industrial Park, just 30 minutes from Shanghai, our program delivers the Nova Scotia high school curriculum entirely in English. Graduates receive a Nova Scotia High School Diploma upon successful completion of the program and may continue their studies at leading universities worldwide.
