Abu Dhabi Grammar School Canada (AGS) is an International Nova Scotia Canadian school situated in the heart of the city in Abu Dhabi. Abu Dhabi is the Capital of the UAE <https://visitabudhabi.ae/en>. It is a modern, vibrant, happening city with Arabic as its first language and English as a second. It has been rated as the safest city in the world for the last 6 years.

AGS is a grade pre-primary (KG1) to grade 12 school that teaches the Nova Scotia (NS) curriculum. Students graduate with the NS diploma which is accepted all around the world. Our students are made up of over 40 nationalities who after graduation attend Universities in many different parts of the world. Most of our students are from expat families but we do have some Emirati families attending with the goal of earning the NS diploma.

Our staff is a good mixture of young, middle age and retired teachers. Most of the staff are from Canada, however we have representation from Ireland, South Africa, and our local Arabic staff. We have a staff of 75, with 17 Arabic teachers who teach the Arabic and Islamic curriculum. It is the UAE law that all students must study Arabic and the Islamic religion is taught to our Islamic students.

Currently we have 961 students. We expanded this year and hope to continue. We are being proactive and looking for teachers for the 2024-25 school year. You must have an undergrad degree and a Bachelor of Education in order to teach at the school. Benefits include: a respectable salary based on experience and your educational background, free housing (<https://www.oakshotels.com/en/oaks-liwa-executive-suite>), 1-return flight per year, visa and health insurance paid for and a 2 year contract with a short probation period. We are looking for teacher's young and old, for elementary, junior and senior high positions. Generally international teaching positions are determined by February. If you wish to apply or have questions please forward them to the dberry@agsgrmmr.sch.ae or principal@agsgrmmr.sch.ae. Resumes will be reviewed, references checked out and possible interviews will take place. We look forward to hearing from you. Thank You

Sincerely
