Abu Dhabi Grammar School Canada

(AGS) is an international Canadian school located in the heart of the capital of the UAE. AGS follows the Nova Scotia curriculum from Primary (KG2) through Grade 12. Students graduate with both the UAE General Education Certificate and a Nova Scotia High School Diploma, qualifications recognized by universities around the world.

Our school community represents more than 40 nationalities, creating a truly international and inclusive learning environment. While many of our students come from expatriate families, we are also proud to have Emirati students pursuing the Nova Scotia diploma program.

Our teaching staff includes educators at all stages of their careers — from those beginning their teaching journey to highly experienced and retired educators continuing to share their passion for education. Most of our staff are Canadian-trained teachers. Currently, our faculty includes 69 educators, including Arabic teachers responsible for delivering the UAE-mandated Arabic and Islamic Studies curriculum.

As our school continues to grow, we are proactively seeking passionate and dedicated teachers to join our team for September 2026 in the following areas:

- Kindergarten
