Our Community Rooms @ REC and HERH

Our 'hub' site is at Riverside Education Centre (REC) where Candace and Eric maintain one of our Community Rooms. This space is available for students and families to drop in to ask about service, just have a chat, doodle or draw, or even just hang out and play some board games. We also have a space at Hants East Rural High (HERH), where students can hang out and visit with us or just chill if they need a quiet spot, grab snacks and toiletries, clothing, etc. Theresa maintains private offices at both REC and HERH.

Our community partners are also welcome to use these spaces to meet with students and families. On Tuesday mornings, Jarret Doyle, a CMHA Youth Outreach Worker is at our space at HERH and is available to support students.

While our schedules sometimes change due to meetings, appointments with students and families, and unforeseen circumstances, *usually* we can be found in our Community Rooms according to the schedule below. ↓
