Learning Experiences

Please place a checkmark in the “Yes” column to indicate the learning experiences you are willing to provide to students in the Technology Advantage Program.

Learning Experiences	Yes
Guest- in a classroom or providing opportunities for teachers to experience your workplace	<input type="checkbox"/>
Career Mentoring- student (s) are matched with professionals in a chosen field of interest to explore careers and related educational opportunities	<input type="checkbox"/>
Workplace Challenge- small groups of students (4-6 per team) are engaged in solving a problem or a challenge	<input type="checkbox"/>
Workplace Tour- small groups of students visit a workplace, learn about the business, meet employees, ask questions and observe work in progress	<input type="checkbox"/>
Job Shadowing- a student is paired with an employee of a TAP partner business for up to 8 hours and follows that employee to experience a regular workday	<input type="checkbox"/>
Co-operative Education (High School)- a formalized learning experience requiring an 80-hour unpaid community/workplace placement for which a high school student, 16 years of age or older, earns a credit or half-credit	<input type="checkbox"/>

<p>Internship (High School) – a co-operative education placement opportunity for students who have already completed one co-op credit. Through internships, students who have a clear career focus, can continue developing skills related to the career explored in a previous co-op credit. Student interns can receive pay for their work and will receive an additional co-operative education credit.</p>	
<p>Work Integrated Learning (NSCC)- opportunities to apply knowledge and skills outside of the classroom. Can be paid by employer or unpaid.</p>	
<p>Co-operation Education (NSCC)- is an optional elective credit course available after a student has successfully completed all first-year courses included in their IT program. This employer paid, full-time, work placement lasts between 12 to 16 weeks.</p>	
<p>Employment - full time permanent employment</p>	
<p>Other (workshops, courses, certifications, etc.):</p>
