TECHNOLOGY ADVANTAGE PROGRAM

A UNIQUE MULTI-YEAR PROGRAM THAT

- Helps high school students explore their potential
- Puts students on a path for success
- Connects students with industry partners
- Provides industry work-related learning
- Broadens digital literacy in Nova Scotia

AS A PARTNER YOU CAN

- Meet young and engaged students with an interest in technology
- Help shape/develop a skilled workforce
- Provide a variety of learning experiences for Nova Scotia students
- Inspire potential future employees for your organization

BENEFITS FOR YOU

- Invest in the future of your community
- Network with potential future employees
- Leverage skills and talent that can help your business
- Meet with like-minded industry partners
